SPECIAL INSTRUCTIONS

- Child Care Facilities: As a part of the child care regulations, every facility must have a Certificate of Immunization Compliance Form (Form 121) or the white computer generated version of the form on file for each child enrolled. **Each child must be up-to-date on all required vaccines.**
- Child Care Operators: A copy of the 121 Compliance Forms and roster of all children enrolled must be retained by the child care facility in a central location for appropriate review. Incomplete forms should be retained in a separate file for appropriate review and follow-up.
- K4 – 6th Grade Entry: All children entering K4 through 6th grade, first time students, and students transferring to a Mississippi school from an out-of-state school **must be vaccinated on all required school vaccines**, including Tdap.
- 7th – 12th Grade Entry: All children entering 7th through 12th grade, first time students, and students transferring to a Mississippi school from an out-of-state school **must be vaccinated on all required school vaccines**, including Tdap.
- Employees: Employees must provide proof of immunity to measles and rubella. A completed and signed form should be submitted to your employer as proof of compliance with immunity requirements for employment.
- Employers: This form should be kept in a permanent file accessible to representatives of the Mississippi State Department of Health upon request.
- Parents: The Varicella vaccine is a required vaccine for child care and school entry. A reliable history of chicken pox is acceptable. All students enrolling and/or transferring into 7th grade are required to have the Tdap.
- Health Care Providers: Re-Immunization is necessary when:
1. Measles vaccine was administered before 12 months of age and/or before January 1, 1968.
 2. Rubella vaccine was administered before 12 months of age and/or before 1969.
 3. Varicella vaccine was administered before 12 months of age.
- Vaccines not required and when: Measles or Rubella vaccines are not required for females who are pregnant. If pregnancy is suspected, a **valid certificate of Medical Exemption from Immunization Requirements for Adults (Form Number 122)** is required until pregnancy is resolved.
- Measles or Mumps vaccines are not required for persons born before January 1, 1957.
